EDUCATION

College of Engineering,Bhubaneswar,Odisha
Bachelor of Technology |CSE | CGPA-7.5 (2021-2025)
Karilopatna Higher Secondary of School,Kendrapara,Odisha
12th | science percentage-53%
Panchayat HighSchool Barimul,Kendrapara,Odisha
10th | percentage-56%

WORK EXPERIENCE

CTTC Bhubaneswar, Ministry of MSME   **Dec 2024-June 2025**
Java Full Stack Development Intern
- Built full-stack applications using Java, Spring Boot, MySQL, and JavaScript.
- Collaborated on frontend/backend integration, RESTful APIs, and end-user features.
- Practiced Agile principles and demonstrated strong problem-solving and communication skills.

PROJECTS

Sports Club Management System
Tech Stack:Spring Boot,Servlets,JSP,JDBC,My SQL
- Developed a full-stack web application for managing a sports club's activities, member registrations, and event scheduling.
- Designed and implemented relational database schema using MySQL to handle member profiles, bookings, and sports events.
- Utilized Spring Boot to create RESTful APIs for efficient data handling and seamless backend integration.
- Built dynamic web pages using JSP and connected them to the backend using JDBC for real-time data interaction.
- Implemented user authentication and role-based access control (admin and members) to secure application data.
- Handled CRUD operations for members, and events with proper exception handling.

Registration Form
Tech Stack: Spring Boot,Hibernate (JPA),Angular,MySQL
- Designed and developed a full-stack registration form to capture and store user data securely in a MySQL database.
- Built RESTful APIs using Spring Boot and Hibernate to perform create and validation operations on user input.
- Developed a dynamic and responsive frontend using Angular with two-way data binding and real-time form validation.
- Integrated Angular frontend with Spring Boot backend via HTTP services for seamless data exchange.

CERTIFICATES

Full-Stack Development
- **Full Stack Java Training by CTTC Bhubaneswar, Ministry of MSME**   **(Duration Dec 2024-june 2025)**

SKILLS SUMMARY

Skills: **Frontend:** HTML,CSS,JavaScript,Bootstrap,AJAX,Angular(Basics)

Backend: Java,Spring Boot,Hibernate,Servlets,JSP,Python,c

Databases: MySQL

Platforms: Visual Studio Code, Spring Tool Suite,Postman,Tomcat

Practices: RESTful APIs,MVC Java, Python, HTML,CSS,JS, Angular, MySQL

Soft Skills: Communication Verbal and Written Communication, Active listening.

Teamwork: Collaboration, Conflict resolution, adaptability.

Time Management: prioritization, multitasking.

Work Ethic: Reliability, Responsibility, Professionalism.
